Hello vendors!

The Congress of Jugglers (March 9-11, 2012 at the University of Maryland) is less than **two months** away, and we need your help to make it a success! There are a few ways to get involved, all of which promote your organization while providing attendees with access to quality juggling equipment:

1. Provide a catalog and/or informational materials for our registration table.
2. Donate props to our raffle, which benefits our juggling club and helps us host future conventions. It also allows attendees to see and feel your props.
3. Sell your props at our convention! To maximize your profits, we limit this option to **two vendors** each year. Spaces to sell props fill up quickly, so contact me as soon as possible if you are interested.

\*\*\**Disclaimer*: To keep our gym space in good condition, knives or other sharp objects may not be sold at our convention.

You can reach me by email ([sjablans@umd.edu](mailto:sjablans@umd.edu)) or phone (914-263-4026) with any questions or requests to sell props.

**Props and promotional materials may be mailed or shipped to:**
